COMMUNITY SERVICE SCHOLARSHIP

For the 14th-straight year, Willis-Knighton Health System has partnered with the Independence Bowl Foundation to present a $2,500 scholarship to each graduating senior from Caddo and Bossier Parishes. The scholarship is awarded based not only on academic success, but also on a commitment to improving their community through service.

YOUTH FOOTBALL CLINIC

Every summer, the Walk-On’s Independence Bowl hosts a FREE Youth Football Clinic for area children at Independence Stadium. Participants receive the opportunity to learn from college football coaches from across the region, as well as current and former college players. In 2019, more than 200 kids participated in the Youth Football Clinic with coaches from Northwestern State, Grambling State and Sam Houston State on hand to coach the youth!

“SHOW YOUR INDEPENDENCE” ART CONTEST

The Walk-On’s Independence Bowl started the “Show Your Independence” Art Contest eight years ago, which asks local elementary school kids to draw what the word “Independence” means to them. Winners are selected from each grade level at each school and given two tickets to the Walk-On’s Independence Bowl, and their artwork is put on display at Independence Stadium during the game.

KID COMBINE

In its third year, the Kid Combine takes aspects of the NFL Combine, and allows kids to participate. The kids compete in The 40, The Shuttle, The Throw and The Bags. The top performers from the stages at Crawfest and the Youth Clinic have an opportunity to compete in drills on the Independence Stadium field during the 2019 Walk-On’s Independence Bowl.
